Dear PHS Alumni,

As you may or may not know, the finishing touches are being placed on the new gymnasium at Portsmouth High School. Soon the gym will be alive with the voices and activity of over 1000 Portsmouth High School students. Without the support of so many members of our community, the gymnasium would be nothing more than a dream today.

The dream is not complete, however. While the first floor of the gymnasium will be up and running, the second floor, or mezzanine, has yet to be equipped. That is where you come in. Mike Medeiros, Physical Education Department Chairperson at Portsmouth High and an alumnus like yourself, has designed a state-of-the-art fitness facility and has carefully chosen equipment with the needs of all students in mind. Your monetary support toward the purchase of this equipment will make the dream come true for PHS students for many years to come.

However you choose to participate, your support will be greatly appreciated. Remember to check out the PHS website <http://phspatriots.com/inschool/classes/Alumni.htm> for developing alumni news.

Sincerely,
